Tool required: Allen Wrench (Provided)

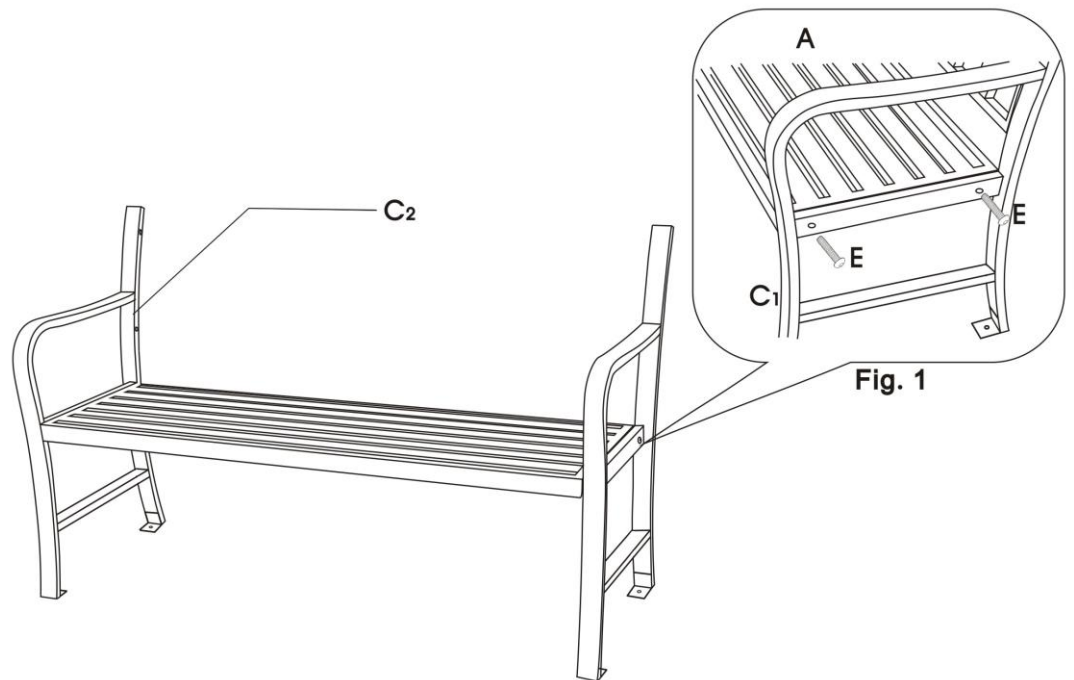

Special Warnings

- The bench is made to sit on four legs, do not tilt back on two legs as it may result in injury or damage.
- The bench is made to sit on solid ground, make sure not to place on soft ground as it may result in injury or damage.
- Inspect before every use; do not use if parts are loose or damaged.
- This product is not a toy. Do not allow children to play with or on this item.

Assembly Steps:

- Step # 1:** Place all parts on a clean surface. Attach Seat Panel (A) to the Left Armrest (C1) and Right Armrest (C2) by using Bolts (E). **Hand tighten!**

Step # 2: Attach the Backrest (B) to the Left Armrest (C1) and Right Armrest (C2) by using Bolts (D). **Hand tighten!** Adjust the bench to a level position and tighten all the Bolts with Allen Wrench (F) (Provided).
